YOU'LL BE MISSED,

BIG MAMA!

FRANK, STEPHANIE &

THE COURT OF THE GOLDEN SWAN

ALAMEDA COUNTY IMPERIAL EMPIRE

Here We Are Again Ladies & Gentlemen; Alameda County Imperial Empire's Coronation 1983 — CAMELOT.

Who would of ever thought that A.C.I.E. would have made such a hit with the Empires. A.C.I.E., A Little Community by the bay separated only by a body of water from the Mother City where a Great Lady, The Dowager Empress I — Jose began the work years ago.

I, Queen Mother Fairy, feel very grateful to have been a part of A.C.I.E. & this community and to have been a helping hand when needed.

As most of you are aware, I first moved to this community at the time when a Very Lovely young man was holding office in San Francisco. After talking with him, it was decided that we should be "Hands Across The Bay" and the work began.

Therefore, My Beloved People, we are now entering into our 5th year as an Empire. I have had the great pleasure of serving this Empire through the terms of 4 Emperors' and Empresses'. It is my great wish to serve A.C.I.E., in and out of the community, in the future.

It gives me the greatest pleasure and much pride to welcome you to CAMELOT.

I REMAIN EVERLASTINGLY YOURS . . .

Fairy II

Dowager Queen Mother I, II, & III — A.C.I.E.

P.S. My fondest regards to Stephanie and Frumpy. You are to be congratulated on another completed term!

GREETING'S TO Friends, Majesties, and Honored Guests.

Welcome to CAMELOT, Coronation 1983.

On this day one year ago, I, Stephanie, was crowned Empress IV of Alameda County Imperial Empire.

I've traveled throughout this state, met wonderful people and represented Alameda County Imperial Empire to the best of my ability . . . with no public embarassment, and with the highest quality of respect due all Monarchs and People of the Gay Community.

Reflections On The Past —

* Empress Connie of San Francisco . . . Thanks for the love, friendship and sisterhood we share.
* To the following Very Hard Workers of the GOLDEN SWAN COURT, Misters Barry Connors, Rhonda Love, Dan Fredell, Doug Odermatt, ChaCha, Tommie Rose, Stephen Francescon, Chuck Monedero, Johnny Ramos, John Richardson, Michael Bartholomew and Jim Weatherton. Thank You, You Made It Happen.
* To Mr. Frank Frommelt, Thank You for the love, faith and friendship you've given me this year. I'll cherish ALL OUR SECRET MOMENTS of Laughter and Tears.
* To The Friends who had faith and respect for me, I hope I lived up to your expectations — the help and comments you gave me did help. Thank You All.
* To My Prince Consort, Mr. Ric Woolley, You kept me on time, aware of public opinion, you cared for me as no other has done, the love you've given me was the strength I drew on all year.
* To Misters Thomas Snyder, Ric Woolley and Steven A. Davis, you guys put this Takehome together and ran my ass off. Thanks fellows; I had faith In you!

I've gained strength, knowledge and admiration for past Monarchs of all Communities. I pray hope for all future representatives.

WITH LOVE ALWAYS, THANK YOU

Stephan Alfred,
Empress IV Stephanie

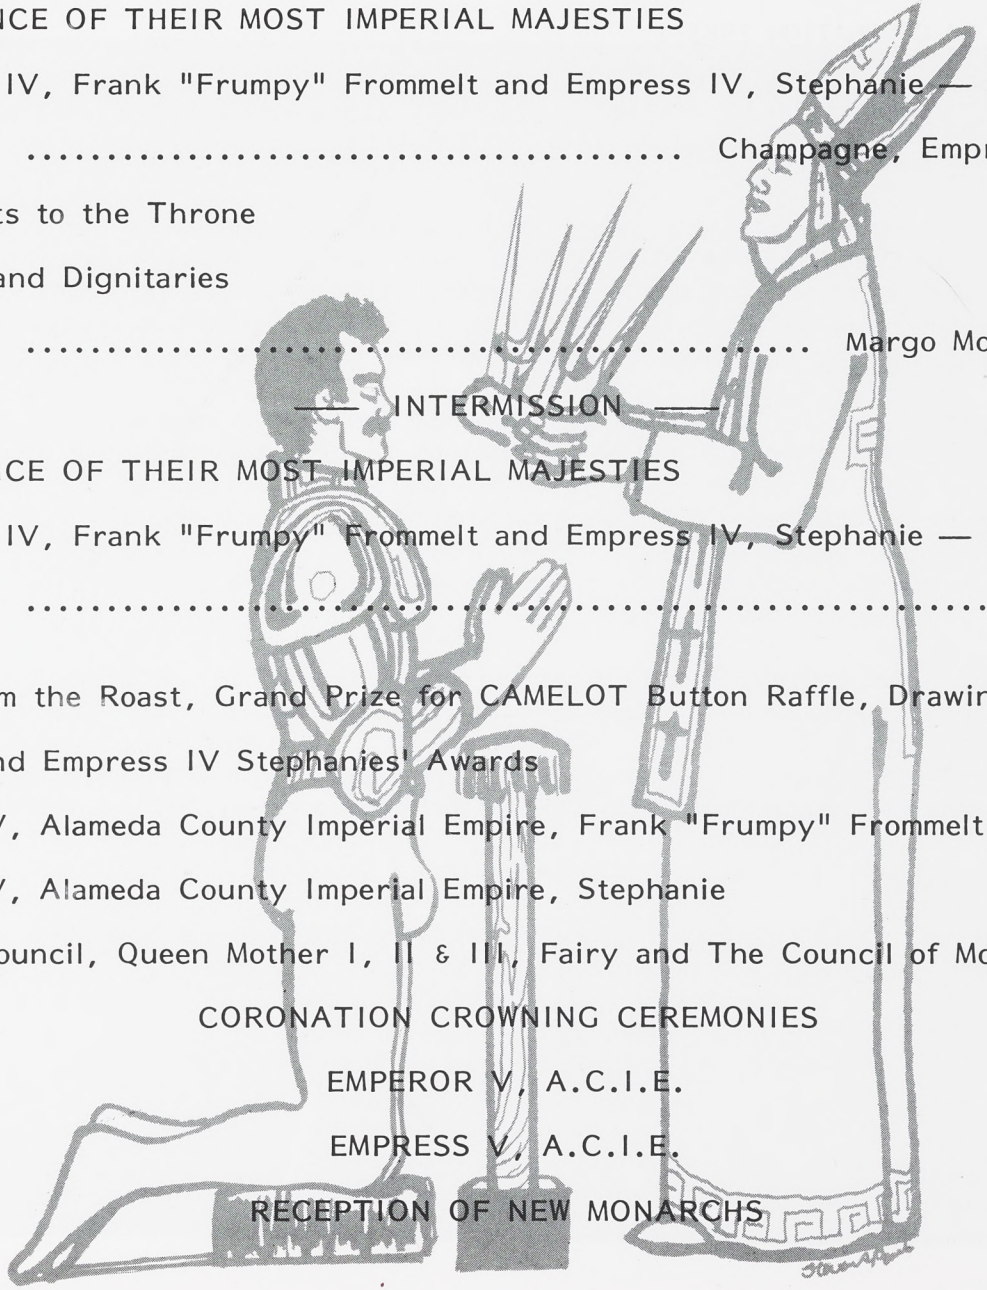
RECEPTION OF NEW MONARCHS



GOOD EVENING AND WELCOME TO CORONATION 1983 !

First, I would like to thank all of you for being here tonight. Your support has meant a great deal to me this entire year. To the friends I have met throughout the state and country, believe me, the memories will last forever. Thank you for being a part of my life.

To my Empress, Stephanie: We began this year under much turmoil. We have had our ups and downs but have made it together. You have shown that fun and love is what holds our community together. Your determination and respect for our fellow Alameda County residents is a great reflection on the Court System as a whole. I was proud last year when we were crowned together and I am more proud today. I love you, but more important, respect you. Thank you for sharing this year with me and your community.

To my lover, Steve: I told you it would be long and rough! The trials we have gone through can only make our relationship stronger. We have both grown and will continue to grow together. I love you.

To Chuck Monedero: You made me Emperor . . . you know what I mean. You are truly an asset to our community.

To the supportive members of our community (and you know who you are), a simple thank you is all that is necessary because I know that is all you ask for.

For those who have not been supportive, I will take this opportunity to say this: If one is in the public's eye, the public knows what is going on. A crown does not make a leader. When one runs for an office, one of two things happen; you win or lose. If you lose, drop out, then complain, you have lost at least twice. Fighting amongst ourselves only makes things rougher on ourselves. The Court System as a whole can only work if we remember that each day we put our pants and skirts on the same way and are here to help each other.

To the new Monarchs, I wish only the best. You have my total support.

Finally, I will apologize to Alameda County for not fulfilling the goals I had when I ran for Emperor. A lot more could have been done. I did try and believe me, I do care.

Thank you all very much.

Much love,

Frumpy
